## Camera Operator | Drone Pilot | Assistant Camera | Grip

I am a dedicated filmmaker looking to establish myself in Milwaukee's film industry. In that pursuit, I aspire to:

- Support the creation of images at the highest creative and technical levels
- Support the development of content that has a positive impact
- Promote an enjoyable and fun atmosphere on set and in the field

I strive to meet everyone I encounter at the human level to develop meaningful personal and professional relationships.

## Recent Work Experience
